## SILVER WEDDING IS WELL CELEBRATED AT BIG DINNER

MR. AND MRS. G. F. DAUGHERTY ENTERTAIN LARGE NUMBER OF GUESTS SATURDAY

The silver wedding anniversary of Mr. and Mrs. George F. Daugherty was the occasion of a very happy gathering of friends at their home, 219 North Adams street, Saturday, March 12. A very sumptuous dinner was served to thirty-two guests.

Those bringing their felicitations to Mr. and Mrs. Daugherty were Rev. and Mrs. W. E. Edmonds, Rev. R. Warren, Mrs. E. Mottern, Elizabeth Mottern, Dorsey Mottern, Rev. and Mrs. James McConaughy of Philadelphia and daughter, Mr. and Mrs. Harry C. Sanders of Gattysburg; Mr. and Mrs. Harry Zeigler of Chicago; Mr. and Mrs. Harry Parker of Pasadena; Mrs. McCabe and daughter of Detroit; Mrs. Emma Stahl of Gattysburg; Mrs. Alice Wolf Dymn and Mrs. Julia Jacobs Harpster of Los Angeles; Mr. and Mrs. Seymour Fahnestock of Los Angeles; Mr. and Mrs. C. E. Diehl of York, Pa.; Mrs. Susan Eyster and son Elmer and his daughter of Detroit; Mr. and Mrs. J. F. Culler of Glendale, the host and hostess and daughter Louise.

Social Chat and Music

The afternoon was spent in a good old-fashioned Pennsylvania social chat and music. Miss Elizabeth Rudy Mottern delighted the guests with beautiful solos.

The guests at this anniversary have all invited themselves to return to the golden wedding anniversary of Mr. and Mrs. Daugherty. Many of these guests will soon return to their eastern homes, and it is predicted that ere long before that quarter of century will roll around they will have returned to California to live in the land of flowers, Glendale being the mecca for all who behold its beauties and attractions.

A number of guests from Riverside not being able to be present on Saturday to enjoy the festivities at the Daugherty home, autoed over Sunday and spent part of the day with them, the party being Mr. and Mrs. Carl Anspach and Miss Margaret Imbusch.

## Pioneer Resident Of Valley Is Summoned

Mrs. Thomas Hezmalhalch, aged 69 years, passed away Saturday morning, March 12, at the home of her daughter, Mrs. Will A. Talbott, of Monrovia.

Mr. and Mrs. Thomas Hezmalhalch were early settlers in this valley, coming from England with their family in 1855. They were permanent residents here until 1907, when they answered the call to the mission fields of South Africa, where they were faithful workers and were beloved by all with whom they labored. They were there affectionately called "Father and Mother Tom." They returned to southern California in 1912 and have since made their home with their daughter in Monrovia.

Besides the husband, she leaves an only daughter, Mrs. Will A. Talbott of Monrovia, and three sons, Frederick C. of Fullerton, Charles G. of Glendale and Alfred H. of Los Angeles.

Funeral services will be held at the Little Church of the Flowers, Forest Lawn cemetery, Tuesday afternoon, March 15.

## Half Million Mark Passed In Building

With permits granted this morning for four new residences, Glendale's building record this year has exceeded the \$500,000 mark, the exact total at noon today being \$503,536. The month of March so far shows \$152,135 in new homes and several store buildings.

At the present ratio, the 1921 building record will mount close to \$1,000,000 and there is every reason to believe this figure will be exceeded as the program of construction in this city is just nicely under way.

## Al. G. Faulkner Is Moving To Alexandria

Among the changes of residence noted at the public service department Saturday is that of Al. G. Faulkner, prominent Los Angeles automobile dealer, who has been residing at 1501 Kenneth Road and who is now taking up quarters at the Alexandria hotel in Los Angeles. Requests for electric light meter installations were received from L. L. Smith, 1051 Justin; Dr. George F. Burton, 611 East Windsor Road, Ed Holmes, 417 Hawthorne street; W. A. Burns, 1332 East Broadway.

## Spring Is Here! Let's Make City Even More Attractive, Suggested To Entire Community

By DWIGHT STEPHENSON  
President of the Board of City Trustees of Glendale

With the prosperity-laden rain over and the bright sunshine again "on the job," spring has been fittingly ushered in in southern California.

The rain is just what we have needed. It has brought happiness to the rancher and the business man alike. It assures bumper crops. It means our prosperity will continue.

The city records show that today Glendale passed the half million dollar mark in building operations since the first of the year—truly a remarkable showing.

We have much to be thankful for in Glendale and it is fitting that we smile and congratulate ourselves on the rain, the sunshine that follows it and the fact that the city's building record indicates wonderful prosperity here.

But as spring dawns, would it not be well for us to "take stock?" Are there not a number of little improvements we can make about our homes and grounds to further beautify Glendale?

Why not a "spring house-cleaning" on a wholesale scale? Paint up! Clean up! Those should be the slogans for all Glendale residents.

How are strangers and visitors going to judge our city if not by the way the streets and yards are kept clean? Paint peeling off houses and disorderly yards show carelessness.

Property kept in "spick and span" condition is more saleable. People judge the interior of our homes and business houses by the condition in which the exterior is kept.

May I not be permitted to suggest that we—all of us—begin at once to brighten up our homes, our yards, so that the visitors will be more deeply impressed with Glendale, "The City of Homes."

The city authorities will be pleased to co-operate and do their part in making Glendale even more attractive.

## JAMES M. RHOADES BUSINESS SESSION MAKES ADDRESS AT GATHERING FOR MUSIC CLUB WILL BE HELD

SECRETARY OF C. OF C. OF GLENDALE IS SPEAKER AT BURBANK CONFERENCE IMPORTANT MATTERS COME UP FOR CONSIDERATION; PLAN FOR PROGRAM DATES

James M. Rhoades, secretary of the Glendale Chamber of Commerce, was one of the speakers at the Burbank community conference and buffet luncheon held in that city Saturday night as a preliminary to reorganization of that body. There were about 250 representative citizens of the thriving neighbor city in attendance, according to Mr. Rhoades who spoke briefly on "What Other Cities Are Doing."

Thomas H. Reed, professor of political science at the University of California, was the principal speaker, his topic being "The Modern Chamber of Commerce." Walter C. Fisher, an attorney, made a strong plea for interest in community work and Major L. W. Deputy who is directing the campaign outlined the drive for membership which will be made shortly.

The Burbank chorus made up of mixed voices and an orchestra provided excellent music and Mr. Rhoades hopes to have the singers entertain at some evening forum dinner of the Glendale chamber. Mr. Fisher also promised to address a meeting of the forum here two weeks hence on the subject of "Individual Responsibility to His Community."

## Fortnightly Bridge Club Party Success

The Fortnightly Bridge club met Saturday night and the three couples who had made the highest average score were given a party by the three couples having the lowest average score. The first step of the party was a six-course dinner given in the English room of the Los Angeles Athletic club. This was followed by a theatre party. The losers were Mr. and Mrs. A. A. Barton, Mr. and Mrs. H. G. Howeth, Mrs. Frank Ayars and R. A. Puffer, who entertained Mr. and Mrs. J. I. Wernette, Mr. and Mrs. Wm. Sawyer, Mrs. R. A. Puffer and Frank Ayars. The party was, indeed, a very smart function.

## Garnet Holme, Noted Actor, To Give Talk

Garnet Holme, famed English actor, will address the student body of Glendale Union High school Wednesday morning at 11 o'clock. He will speak on Shakespeare's life and possibly read parts from some of his works.

Mr. Holme is the manager of the Pilgrimage play which is to be presented annually at Hollywood by Community Players.

## DR. JOHN BROWN, JR., AT FATHER AND SON BANQUET

SPEAKER WILL TELL ABOUT WAR EXPERIENCES, ALSO HOW TO HELP BOYS

Dr. John Brown, Jr., who is to be the chief speaker at the Father and Son banquet to be given at the First Methodist Episcopal church tomorrow night, under the auspices of the H-Y club, has had many experiences during the late war, having been in France for four years as major in the Canadian army. He is so modest and unassuming, however, that one would never dream of his having had anything to do with war.

Dr. Brown is a forceful speaker when "warmed up" to his favorite topic, that of how to help boys to occupy their spare hours and as to how a boy's amusements and vacations can be turned into the right channels, giving him the best equipment for his future life.

Boys Will Be Provided

These banquets, when fathers and sons sit and eat together with others of the same type in a large company, cannot be anything but helpful and inspiring. Such fathers must be made better fathers, and such boys must be led into higher and holier lines of thought and activity which will tell powerfully in their future lives.

If the fathers have no boys of their own or can't borrow a neighbor's boy, "phone Mr. Kelley, "Y" secretary, he will see that they are provided with a fatherless boy.

The committee in charge of the affair is composed of the following: Rex C. Kelly, Alfred W. Cookman, Mr. Murphy, Dale T. Wood, Fred Stofft and Cecil Wilson.

## This Black Cat Is Lure To Good Luck; Just Ask A. G. Spohr

Speaking of superstition and black cats, A. G. Spohr, druggist, believes that they bring good luck. He always keeps one in his store.

The Tabby which he now has is a beauty, being as sleek and glossy as a cat can be.

And there's a reason.

Every morning one raw egg, mixed in milk, is carefully concocted as an appetizer for "Blue Baby," as Tabby is known around the store.

She just loves to be teased, too. A boxing match is staged daily for her exercise.

## Get Your Ark Ready

Richard Powers, a San Fernando prognosticator, says that a "shimmying" coalition of the planets is going to make Noah of the Old Testament flood look like a piker.

Very well, sir. Very well. Isn't there a 350-foot ark up on Mount Verdugo near Burbank just waiting to carry us off on the rise of the celestial tide?

Mr. Powers says that on November 29 the planets Jupiter, Saturn, Mars, Venus, Mercury and the new moon on that day will be in about the same conjunction as they were 5000 years ago.

Sounds convincing enough, with the exception of that one "about." For we know a lot of things "about" to happen which didn't.

## Daughter Is Born To Mr. and Mrs. Clover

Wilma Jane is the name of the 8-pound baby girl which arrived at the home of Mr. and Mrs. W. P. Clover, 349 West Patterson avenue, on March 13. The Clover family recently moved to Glendale, coming from Aurora, Ill., where Mr. Clover was engaged in the banking business. He had been connected with the First National Bank of Los Angeles until last week when he accepted a position as teller at the Glendale avenue branch of the Los Angeles Trust and Savings bank.

## Today's World News In Brief

(Special Service to Glendale Evening News)

FINNISH GOVERNMENT WARNED BY BOLSHEVIKI TODAY  
HELSINGFORS, March 14.—A virtual ultimatum from the bolsheviks was received by the Finnish government today. The Finns were warned not to communicate with Kronstadt, stronghold of the Russian rebels. Reports told of increasing agitation against the soviet government with important defections in southern Russia and Siberia.

LEADERS OF RAILROADS ARE SUMMONED TO APPEAR  
CHICAGO, March 14.—Leaders in the railroad managers' association were ordered today to appear before the United States railroad labor board here on Wednesday and submit to examination regarding the petition of the roads for abrogation of some national agreements. The board's action was taken on demand of representatives of railroad unions.

HARDING NARROWS CHOICE FOR SHIP BOARD CHAIRMAN  
WASHINGTON, March 14.—President Harding has narrowed his choice for chairman of the shipping board to James A. Farrell, president of the United States Steel corporation and R. A. C. Smith, New York shipping man, it developed today. According to persons who conferred with the president, the announcement of the personnel of the new board and formulation of a merchant marine policy awaits the final choice of a chairman.

RAILROAD MEN REMAIN AT WORK PENDING STRIKE VOTE  
CHICAGO, March 14.—"The men back of the yards" went to work stoically and without disturbance today although the 12½ per cent reduction in wages and a change in hours of work in packing plants went into effect. At mass meetings yesterday the workers approved the protest being made by their union heads against the wage slash. They will remain at their jobs until the result of the strike vote now being taken, is known or the difference settled by arbitration.

ARRIVES TO VISIT DAUGHTER; DISCOVERS RICHES  
MARYSVILLE, March 14.—When George T. Wilderman arrived today to visit his daughter, Mrs. Sam Johnson, after a winter of prospecting in the hills near Redding, he discovered he was a rich man. His brother, John Wilderman, died last November, leaving \$50,000 to George. Executors of the estate have been searching for Wilderman since that time. Wilderman was prospecting only a short distance from the place where his brother died, but knew nothing of the death.

LIGHTLY CLAD WOMAN IS FOUND DEAD ON STREET  
SAN FRANCISCO, March 14.—The mangled body of an unidentified woman, clad in bathrobe, underwear and stockings, was found lying beside the car tracks on Fillmore street early today by a patrolman covering his beat. Indications were that the woman had been run over by a street car. Police were unable to explain, however, how a woman would happen to be on the street clad so lightly, or how a street car could have run her down without someone aboard noticing it.

PLAN RADICAL CHANGES IN AMERICAN BATTLE FLEETS  
WASHINGTON, March 14.—Radical changes in the organization and operation of America's battle fleets involving a strengthening of Pacific defenses have been discussed among President Harding and advisers, it was learned today. While no definite plans have been made, suggestions which would involve making the Pacific fleet the major one, the building of additional bases on the Pacific coast and further fortification of the Pacific coast have been put forward.

MORE STRENGTH SHOWN IN STOCK MARKET TODAY  
NEW YORK, March 14.—Some strength was manifested on the New York stock exchange today, but traders were weary and prepared for a continuation of the declines which marked last week. The approach of the final day for income tax payments requiring some liquidating, industrial prospects, especially in the rail and packing industries and the possibility that bear raiders have not finished their drive of last week were conditions operating for a quiet opening. A number of stocks which opened slightly higher, reacted quickly to lower levels.

SIX SINN FEINERS EXECUTED AS 20,000 OFFER PRAYERS  
DUBLIN, March 14.—Six Sinn Feiners were executed in Mount Joy prison today by British authorities, while 20,000 persons knelt in prayer outside the walls. The condemned men were led in pairs to their death at hourly intervals. All met their fate coolly and almost cheerfully. Elaborate precautions were taken to prevent disturbances in the city. Extra guards were mounted, many of them patrolling the fringes of the great crowd outside the prison. All public work was stopped. Telegraph offices and the postoffice were closed until noon. Many private industries were forced to suspend when employees flocked to the prison gates.

## Symphony Orchestra Start Is Made Here

With the addition of a flute and a bass viol to the Palace Grand orchestra tonight, Robert Jensen, the manager, states that he has the beginning of a symphony organization here. At a stupendous expenditure for a theatre in a city the size of Glendale he has secured Nils Gilliam as director and ten pieces to furnish the music. Besides the flute and bass viol there are violin, piano, bassoon, clarinet, trombone, cornet, drums and marimbaphone.

Two encores were received last night for the music accompanying Mark Twain's "A Connecticut Yankee in King Arthur's Court."

## RAINFALL MARK IS 12.47 INCHES FOR SEASON TO DATE

FROM FRIDAY NIGHT AND UP TO AND INCLUDING SUNDAY RAIN IT WAS 3.44 INCHES

The most drenching rain of the season fell all over southern California Saturday and Sunday, more than three inches being recorded here since Friday by H. E. Bartlett, local observer.

From Friday night until Saturday noon the fall was .74 inches; Saturday night and Sunday morning it amounted to 1.95 inches and Sunday night it was .75 inches, bringing the total for the season up to 12.47 inches against 11.87 of last year at this time.

The average rainfall here is about 18 inches which means that more than five inches, or two more good storms, are needed to insure bounteous crops, although ranchers are smiling as a result of plentiful golden drops of "liquid sunshine" the past three days.

Outside of a few leaky roofs and a couple of clogged gutters, no flood conditions were reported in Glendale, the water running off at once and today with Old Sol driving the clouds away, the green hills and blossoming trees and refreshed gardens amply repay those whose motor trips or baseball games were called off on account of the rain.

Residents of Acacia street, east of Glendale avenue, reported to city officials this morning that the improvements made there have eliminated flood conditions from Sycamore canyon wash which for years has left water standing in the street.

Flood Dangers Passed  
LOS ANGELES, March 14.—Flood dangers apparently had passed when the heaviest Southern California rainstorm in many years subsided early today after more than forty hours of almost continuous down-pour.

Suburban basements were flooded, transportation in some places was paralyzed and several streams rose dangerously close to flood stage.

At San Pedro search was being made today for a fisherman known only as "Phillip," believed to have been thrown into the sea when his house, built on top of a 100-foot embankment, was undermined and washed into the ocean.

The skies will clear today, and Tuesday probably will be fair, the weather bureau predicted.

Mrs. Blake Franklin and Mrs. E. Leslie Eames were hostesses at a very jolly affair given Saturday night in the form of a masquerade dancing party in the ballroom of the home of Dr. and Mrs. T. C. Young, 400 North Kenwood street.

Those who enjoyed this most pleasant evening were Mr. and Mrs. Dwight Stephenson, James H. Ilse, Mr. and Mrs. W. W. Wolroyd, Dr. and Mrs. T. C. Young, Mr. and Mrs. A. L. Baird, Mr. and Mrs. Herman Nelson and sister-in-law, Mrs. H. C. Hatterchard, Mr. and Mrs. St. Clair, Dr. and Mrs. Staley of Los Angeles, Mr. and Mrs. Rankin, Mr. and Mrs. Perry, Mrs. Tupper, Mr. and Mrs. George Lyons, Mr. and Mrs. Max Green, Mr. and Mrs. Blake Franklin and Dr. and Mrs. Eames.

Music was furnished by a three-piece orchestra, who voted that the most clever costume was worn by Dr. Eames, dressed as "The Long Hair," with numerous placards of protest attached to his costume. Refreshments were served during the evening.

AWAIT ANSWER FROM ENGLAND  
WASHINGTON, March 14.—President Harding is waiting assurance from the British government that Colonel George Harvey will be acceptable as American ambassador to London before sending Harvey's nomination to the senate, it was learned today. These assurances have not been received and it is practically certain therefore that Harvey's nomination will not go to the senate today.

## ALL DAY CAMP FIRE FOR VETERANS IS BIG SUCCESS

### UNIQUE ENTERTAINMENT FOR CIVIL WAR SOLDIERS AND WOMEN'S RELIEF CORPS

In defiance of inclement weather  
a goodly number of Civil War veter-  
ans, Women's Relief Corps workers  
and their friends attended the all-  
day Camp Fire held Saturday at the  
N. P. Banks' post hall on South  
Glendale avenue. A feature of the  
program of patriotic addresses and  
other numbers was the singing of  
Comrade Herndon and his G. A. R.  
glee club. At noon a lunch was  
served by the women, after which re-  
productions of the lives of "Soldiers  
in '65" provided unique entertain-  
ment for the comrades.

Their presentation was true in its  
realism and with the appropriate  
songs and stirring "yells" of the boys  
in blue echoed by the rebel cries lent  
that originality to the program which  
is hard to equal, according to the  
many people who were present. A  
bugler veteran of the world war lent  
his talent to the afternoon's music  
and from the startling reveille to the  
sweet notes of taps and tattoo which  
closed the program, every event re-  
called memories of long bygone days.

## Madrigal Club Will Give Fine Program

The Madrigal club, under the di-  
rection of Mrs. Charles A. Parker,  
have been at work for some time per-  
fecting a program of Irish songs and  
melodies which will be presented by  
them the evening of March 17 in  
Pearl Keller's auditorium. Irish  
dances will also be given by a pupil  
of Miss Keller's.

The personnel of the Madrigal club  
is as follows: Mrs. Charles A. Parker,  
director; Mrs. J. A. Wright, accom-  
panist. First sopranos: Mrs.  
John Ray, president; Mrs. C. L.  
Peckham, Mrs. G. D. Roach, Mrs.  
Verick, Mrs. C. R. Chappell, Mrs.  
George Herald, Mrs. S. I. Tuttle, Mrs.  
John Cole, Miss Nellie Mae Williams.  
Second sopranos: Mrs. H. V. Hen-  
ry, Mrs. John Baum, Mrs. R. A. Puf-  
fer, Mrs. Nolan and L. E. Richard-  
son, secretary-treasurer. First alto:

Rae and Miss Gertrude Champlain.  
Second alto: Mrs. John Cotton and

## Southern California

### Invents Adobe Brick

Harley S. Bradley of Eagle Rock  
is the inventor of a new adobe brick,  
the first production of his plant be-  
ing transported to Hollywood last  
week for a new home being erected  
by W. J. Harrison, circulation man-  
ager of the Los Angeles Evening  
Herald. The brick plant is located  
at the corner of Colorado boulevard  
and Central avenue in Eagle Rock.

### Location Is Wrong

The city of Yuma, Ariz., has a new  
city hall, but it appears that it is lo-  
cated in California and not in Ariz-  
ont, and no legal business for the  
city can be transacted in the building.  
The building was erected on the west  
side of the Southern Pacific railroad  
tracks in Yuma. It is commonly be-  
lieved that the Colorado river is the  
dividing line between Arizona and  
California at Yuma, but in reality the  
boundary line runs along the South-  
ern Pacific railway. The city of Yuma  
owns the land on which the new city  
hall stands.

### Church Shows Movies

Motion pictures are now a Sunday  
night feature at the Congregational  
church in Eagle Rock. Last night  
ZaSu Pitts and Florence Vidor star-  
red in "Poor Relations." With no  
admission charged, the pastor, E.  
Morgan Isaac finds this an excellent  
means to get a large attendance, thus  
creating a "go to church habit."

### Fisherman Is Lost

"Phillip," a San Pedro fisherman,  
is believed lost in the ocean—swal-  
lowed up as it were by the whale of  
a rain which drenched the southland  
Sunday. Many hikers were caught  
in mountain camps and unable to re-  
turn until today.

### Elihu Root Is Due

Elihu Root, former cabinet mem-  
ber in Roosevelt's administration, is  
due in Los Angeles tomorrow and  
from there he will go to Santa Bar-  
bara by motor car where he will  
spend the remainder of the winter.

### L. A. County Leader

Los Angeles county exceeds San  
Francisco by 300 per cent in automo-  
bile licenses. Alpine county has but  
about two cars while this city pays  
\$110,418.80 in licenses.

### Hail Helps Peaches

Hail fell in such a quantity at Vi-  
salia yesterday that the peach blos-  
soms were thinned out to suit the  
growers with the result of a large  
and luscious crop this coming sum-  
mer.

## Four Candidates For High School Trustee Discussed By Writer

The following communication is  
relative to candidates for high school  
trustee at the election to be held on  
March 25:

There are four candidates willing  
to brave initiation into the mysteries  
and obligations of high school trust-  
eeship.

Watson and Brown, advanced by  
the Federated (church) Brotherhood,  
and Chandler and Phelon, proposed  
to the Federated P. T. A., by a group  
of citizens.

I wonder what each initiate would  
undertake to do "for the good of the  
order" were he duly elected? Would  
Captain Watson have compulsory  
military training, furnishing all the  
boys "in hats" and preparing them  
to join "Glendale's Own"? Would  
Dr. Brown start a class in medicine?  
Would Attorney Chandler favor ad-  
ding a law course? Would Mr. Phelon  
favor including in the chemistry  
course a study of how to make better  
fuel gas?

Many of us in this world and sun-  
ny Glendale are prone to take life too  
seriously. There are many old  
adages that counsel us otherwise,  
such as, "Laugh and grow fat," etc.,  
and we are all pretty well convinced  
that Ella Wheeler Wilcox was par-  
ticularly inspired when she wrote,  
"Laugh, and the world laughs with  
you; weep, and you weep alone." So,  
let us be cheerful when there is  
nothing to weep over—nothing to  
worry over—nothing to fight over.  
Let's smile and do our best in a  
pleasant way.

### About "Trustee Stock"

Following the lead of one of our  
daily papers in its "write up" of one  
of the candidates, I will refer to them  
all as "trustee stock."

The paper quoted says: "Capt.  
T. D. Watson of fighting stock. A  
natural sequence that the captain  
should follow in footsteps of an-  
cestors." Consequently Captain Wat-  
son must be considered "fighting  
stock." Another daily states that he  
is an elder in the Presbyterian  
church, etc., etc. Then he has  
the right to be known as "The Fight-  
ing Elder."

The last named paper, speaking of  
our friend Dr. H. V. Brown, says  
that he "comes from that good old  
middle western land of corn, Iowa." Now,  
is it proper to refer to the doctor  
as "Iowa stock" or "corn stock"?  
(But let me say right here that while  
he was one Iowa corn stalk I was an-  
other, and that if I had three votes  
to cast in the coming election, in-  
stead of two, one would be for him.)

### Other Two Candidates

The other two candidates come un-  
heralded, unsung, unphotographed,  
but not unknown.

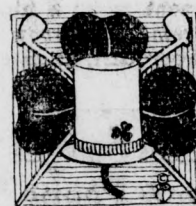

Attorney Charles L. Chandler  
probably would not like to be re-  
ferred to as "common stock" and we  
cannot know, until after the election,  
if he is "preferred stock." But this  
we do know: He is mighty good  
stock from which to fashion a school  
trustee. He is well seasoned and  
sound to the core. He has four chil-  
dren to send through high school,  
and he wants it to be the best school  
that can be had.

W. R. Phelon has simply no alterna-  
tive but to be dubbed "gas stock." You  
may not at all times like the  
quality of gas the company furnishes  
but nobody blames "Bill" for that,  
and all who know him know why the  
Southern California Gas company has  
never tried to find a man to take his  
place as manager in Glendale.

### Liberty Loving Citizens

Some of our liberty loving citizens  
may not approve of a church brother-  
hood going into school politics, but  
"it were ever thus," and that is why  
we have animated elections at times.  
But let it be said of the "brother-  
hood" that they put up the best ma-  
terial they had available and had I  
no alternative I would gladly vote  
for "Elder" Watson and "Doc"  
Brown, but under the circumstances  
I am going to vote on March 25 for  
"Charley" Chandler and "Bill"  
Phelon, and with them for a new  
twenty-acre high school site at once  
and a complete new high school as  
soon as we can afford it.

## Mr. and Mrs. Adams Here For 12 Years

When Mr. and Mrs. H. L. Adams  
of 153 South Pacific avenue moved  
to Glendale a dozen years ago, the  
former said to a representative of  
The Glendale Evening News the other  
night, his wife could see him taking  
the car for Los Angeles on Brand  
boulevard four blocks away. When  
one considers the location, they will  
realize that their home lies between  
Broadway and Harvard a quarter of  
a mile west of the Pacific Electric  
railway.

In the twelve years' time business  
buildings on Brand boulevard and  
Central avenue, apartment houses on  
Orange street and residences on Co-  
lumbus and other streets have oblit-  
erated the view so that the Adamses  
can hardly look farther than their  
own front yard, much less a quarter  
of a mile.

Some day, however, Mrs. Adams  
may have the pleasure of seeing her  
husband take an airplane to Los An-  
geles and watch him until the ma-  
chine disappears over the Hollywood  
hills.

## HOW JAKE HAMON PLAYED GAME REVEALED

WIDOW APPEARS IN COURT TO  
HEAR ASSOCIATES TELL OF  
HUSBAND'S MURDER

By CARL VICTOR LITTLE  
United Press Staff Correspondent  
ARDMORE, Okla., March 14.—  
William D. Nichols—the political  
lieutenant and adviser of Jake  
Hamon—today revealed to the United  
Press what he tried to tell the jury  
the other day. That was the power  
Jake Hamon wielded in national po-  
litics.

His story, which was stopped  
abruptly in the court which was try-  
ing Clara Smith Hamon for murder,  
when he told that the Oklahoma Re-  
publican's dying message was "to go  
straight to Warren Harding and get  
some of his friends taken care of,"  
continues:

Going to Harding  
"I am going to make good on the  
dying request of Jake Hamon. I am  
going to the White House to see  
President Harding in two weeks.

"Jake Hamon, whose wife is Pres-  
ident Harding's first cousin, was one  
of the most powerful men in the Re-  
publican party.  
Hamon first favored the nomina-  
tion of Major General Leonard Wood.  
But Wood appointed a political enemy  
of Hamon's as one of his chief  
lieutenants. Jake Hamon then  
broke with the general.

"Hamon was elected as national  
committeeman in the March primar-  
ies. He ruled the Republican state  
convention at Oklahoma City shortly  
afterward. The convention decided  
that Oklahoma's delegates to the Re-  
publican national convention would  
boost Governor Frank Lowden of Il-  
linois.

Tells of Lowden's Chance  
"At the little conference in room  
901 at the Blackstone hotel on the  
night before the Chicago conven-  
tion opened, Jake Hamon was the  
boss.

"It was Hamon who looked square-  
ly at Lowden that night and said:  
"Frank you haven't got a China-  
man's chance for the nomination.  
But I am going to stick with you for  
a while to give you a chance. Then  
we go for Warren Harding."

"Hamon got the delegations from  
Pennsylvania, Oklahoma, Kentucky  
and Arizona to agree to go through  
on that plan."

Widow in Court  
Jake Hamon's widow was in court  
today for the first time since she  
broke down Friday when Hamon's  
bloody and bullet-riddled garments  
were displayed in court.

Errett Dunlap, pal of Jake Hamon,  
was the first witness to take the  
stand for the state.

"Jake Hamon was sure he would  
die," said Dunlap, who called on  
Hamon at the hospital. "He said he  
never got out of the hospital until  
you boys take me out."

"He told me Clara put her left  
hand on his head and her right hand  
on his shoulder; that he looked up  
and she shot him."

Friend Takes Stand  
Frank Ketch, thousand dollar a  
week man and personal friend and  
business associate of Hamon, took the  
stand.

"As soon as I heard Hamon was  
wounded I went to the hospital to see  
him," Ketch said.

He said he wanted it given out  
that he did it himself. He said tell  
the world some kind of a story and  
tell Clara to leave town. He told me  
to give Clara \$5000.

"I went back to the office and sent  
for the defendant, Frank Adams and  
Nichols were present.

"I said to her:  
"Clara, you've got to go. The  
parting of the ways has come. You're  
going away to stay."

Gives Her \$6000  
Ketch said she agreed to leave.

"I had her trunks in the Randol  
Hotel packed and checked them  
through to Kansas City on Mr.  
Hamon's pass," Ketch said.

"I met her at the station. I gave  
her six thousand."

He stated under cross examination  
he noticed no scars on the hands and  
face of the defendant.

"I reported what I had done to  
Hamon," Ketch said. "He said to  
me:

"Frank, don't forget it, I'm going  
to die. I was in my room. She shot  
me in the dark. We had a struggle  
over the gun."

"Wild Bill" McLean then started  
cross examination.

### MYSTERY PICTURE IS FASCINATING

ARSENE LUPIN FILM SHOWN  
AT GLENDALE THEATER IS  
MOST HIGHLY PRAISED

Arsene Lupin, fascinating crook of  
fiction, is even more attractive on the  
screen. This is due perhaps to the re-  
markable characterization of Wedg-  
wood Nowell, noted screen actor, who  
plays the role of the picturesque gen-  
tleman burglar in "13" the Robert-  
son-Cole super-special production,  
adapted to the screen from the famous  
story by Maurice Leblanc, which  
opened at the Glendale Theatre yes-  
terday. It is showing again today.

The film "13" is without a  
doubt, an excellent mystery picture.  
It is seldom that a production as good  
finds its way to the screen. There is  
something new every minute to fur-  
ther mystify you and keep you won-  
dering how it is going to turn out.  
It holds your interest from the start,  
and the crashing climax will make  
you gasp.

Arsene Lupin, master crook, is ac-  
cused of murdering a wealthy man,  
although he had never been known to  
kill before. Lupin cleverly heads  
the police in search of the real mur-  
derer, keeping under cover himself.  
After many thrilling escapades he  
solves the problem in a satisfactory  
manner.

Mr. Nowell is assisted by an ex-  
cellent cast including beautiful Kath-  
ryn Adams, popular leading lady of  
the screen.

Pathe News, Topics of the Day and  
a comedy, "Fresh from the Farm,"  
combined with the organ solos by  
Madame Clement make a highly at-  
tractive program. Tomorrow Gladys  
Walton in "Poor Girl, Rich Girl" is  
the feature.

### Information Sought About Phone Tolls

Chairman E. P. Hayward of the  
railroad and public utilities commit-  
tee of the Chamber of Commerce,  
with his committee and other inter-  
ested citizens of Glendale, are plan-  
ning to appear before the State Rail-  
road commission's hearing at Los An-  
geles, March 17, to place the phone  
toll situation before that body.

An adjustment of the telephone  
rates is sought in the program of the  
Chamber of Commerce, which will  
be satisfactory to all concerned and  
ordered effective by the commission.

Mr. Hayward is anxious that any-  
one who has views on this subject get  
in touch with him through Secretary  
Rhoades, of the Chamber of Com-  
merce, so that a thorough presenta-  
tion of Glendale's case may be made  
at the hearing which will be held in  
the commission offices, ninth floor  
of the Pacific Finance building,  
Sixth and Olive streets, Los Ange-  
les, all of St. Patrick's day.

### NEED MAGAZINES AT THORNYCROFT

HERE IS OPPORTUNITY FOR  
YOU TO GIVE AID TO  
DISABLED SOLDIERS

Do you have time to read maga-  
zines?

If you do, ready appreciation of  
their entertaining features need not

you, undoubtedly.

So here's the opportunity that you  
have been waiting for.

The disabled veterans of the world  
war at Thornycroft hospital who are  
fighting to live, men who served  
their country well, but do not receive  
the compensation which enables them  
to have the reading matter they  
desire, are eager that some good  
Glendale people subscribe to the fol-  
lowing magazines for them.

### Margaret Lusby Is Dinner Honor Guest

Miss Eunice Peart and Miss Doris  
Ingledue entertained with a dinner at  
one of the smart tea rooms in Los  
Angeles Saturday night in honor of  
Miss Margaret Lusby of 118 East  
Park avenue, who is soon to become  
a bride.

The center piece was a very large  
flat basket filled with freesias and  
beautiful spring flowers, and was  
tied with a lovely bow of orchid satin  
ribbon. At each corner of the basket  
were dolls dressed in the different  
pastel shades of taffeta. Silver  
candelsticks holding candles, the colors  
of which corresponded to the dolls'  
costumes, were placed between the  
corners of the basket. Hand-painted  
place cards marked the places for the  
guests, the honoree's being that of a  
bride.

Those present were Miss Margaret  
Lusby, Mrs. C. D. Lusby, Mrs. C. R.  
Lusby, Miss Waunita Emery, Mrs.  
Frank Weller, Mrs. Wilbur Lee, Miss  
Muriel Turner, Miss Martha Ray, and  
the hostesses, Miss Peart and Miss  
Ingledue.

Mark Twain never wrote anything  
funnier than "A Connecticut Yan-  
kee," or anything more representa-  
tive of the spirit of America. It is  
the challenge of the New World to  
the old. The principal character,  
Martin Cavendish, is a typical Yan-  
kee with a long line of New England  
ancestors. He has heard a good deal  
about the glories of the "good old  
times," and when he is suddenly  
transplanted to King Arthur's Court  
he has an opportunity to find out the  
truth for himself. He discovers not  
only that the plumbing of King Ar-  
thur's castle is bad and that it is  
awkward to live without telephones,  
railroads, automobiles and other use-  
ful things, but also that he is more  
than a match for the Knights of the  
Round Table in personal courage and  
fighting ability.

There are as many laughs in the  
film play as in the book. The most  
has been made of every situation.

Augmenting the picture is a musi-  
cal program by the Palace Grand or-  
chestra which features "Marge," a  
marimba solo and the overture,  
"Poet and Peasant," by Suppe.

### Prof. W. D. Root And Others To Pay Visit

Glendale Union High school who now  
teaches United States history and  
government in the Jefferson High  
school, Los Angeles, reports that to-  
morrow is the annual visiting day of  
that institution. All of the teach-  
ers, nearly eighty in number, will  
spend the day at other high schools  
in the city and county. Mr. Root  
plans to study the methods used in  
departments similar to his at Manual  
Arts.

Two other Jefferson High teachers  
live in Glendale, Miss Clarence Boss  
of 215 South Central avenue is a  
teacher of Latin, and Roy B. Couer  
of 529 North Louise street teaches  
woodwork and drawing.

Miss Marsh, the Jefferson High

# Sunday Services In Various Churches of Glendale

## GLENDALE STRAIGHT AHEAD, IS URGED BY REV. CRIST

CIVIC QUESTIONS ARE TAKEN BY PASTOR IN SERMON ON SUNDAY NIGHT

"Glendale Straight Ahead" was the Sunday evening topic at the First Methodist Episcopal church Sunday night on Friday night was a success. Despite the rainy weather a goodly number were present. The program was as follows:

Welcome by the pastor, Dr. C. M. Crist; patriotic medley, Sunday school orchestra; vocal solos, Margaret Lusby and Mrs. C. M. Scott; quartet, Miss Lusby, Mrs. Leeds, Messrs. Haines and Kuehny; recitation, Prof. W. D. Root.

Rev. C. M. Crist, a former pastor, was present and assisted in the program. He surprised his many Glendale friends by his ability on the "stage." He favored with several recitations. Of especial mention was the "Village Debating Society," "Just to Be Good" by James Whitcomb Riley, and his college reminiscences when he and Rev. Clyde Crist went to college together.

L. C. Leeds was in charge of the program.

"My subject," said the pastor, "is a new one, but is based upon old principles—principles that are fundamental. We are hearing and reading a good deal these days about the advantages and possibilities of Southern California, and the slogan 'Southern California Straight Ahead.' But I have brought it a little nearer home and will say 'Glendale Straight Ahead.' We cannot be selfish in this matter, though, and consider it in a narrow way. But advance Glendale along lines that will contribute to a better Southern California, a better state, a better nation and a better world. When good laws are sometimes defeated in our state by San Francisco, we wish for a state of Southern California with a capital of our own. But the northern end needs us.

"Blessings to mankind seem to be of two classes—those sent by a divine hand, such as the rain and sunshine, independent of our efforts; and the other blessings that we are given strength, ability and opportunity to bring about. Both individual and national character are largely of our own making. God gives us the vision and it is for us to go to work. Christ said, 'Go ye into all the world, beginning at Jerusalem'; and today He is saying to us, 'Go ye, but begin at Glendale and Southern California.'

**Support Civic Affairs**

"We should support all civic propositions for public betterment, Chamber of Commerce and other public affairs. Good civics are a part of the Gospel and are needed to lift things to a higher level. Three prime necessities for the prosperity of any community are the home, the school, the church. I am greatly concerned about the future of the home. Young America is too much inclined to do just as they please without father's or mother's advice. My candid judgment is that we are getting too near the rocks. One cause of this is too little religious instruction in the home. The divorce evil and the giddy dance are others.

"Having a little time I went into a moving picture show in Los Angeles a few days ago and found it absolutely indecent, a description of which would be resented in decent company. This influence is bound to injure the family as a unit and society as a whole. The church is a beneficent factor in any community, and as such has a claim on all men; not especially financial but moral support. Every man interested in Glendale's future prosperity should support some branch of the Christian church.

"I am pleased to know of the plans on foot for new church buildings in Glendale. The greatest assets of Glendale are not its scenery, its paved streets, its fertile soil, but its homes kept pure, its churches active, and its schools clean and wholesome. A town was started on no church lines but it was a failure until its policy was changed. Remove the churches from Glendale and an exodus of citizens would follow. A church-going community is nearly always a prosperous one, and it is a mistake from the community's best interests for picture shows, ball games and anything of a secular nature to interfere with this time honored and beneficent custom.

"A patriotic community interest should demand clean shows, and none to distract from divine worship. Greater loyalty to the home, the school, the church. Then straight ahead for Glendale, California, the United States and the world."

During the conference year from October 1, 100 new members have been added and about fifty are expected on Easter Sunday.

**NOTED VIOLINIST ILL**

CHICAGO—Alexander Sebald, violin virtuoso and composer, is ill as a result of an infection in his neck, it is announced. He has been operated upon several times during the last week. A mental chin rest, with a rough edge, caused the infection. The toxin which caused the infection was made by Antonius Stradivarius in 1721, and was formerly the property of Leopold Janza, celebrated composer.

## Junior Department's Entertainment Wins Praise Of Audience

The entertainment given by the junior department of the First Methodist Episcopal church Sunday school on Friday night was a success. Despite the rainy weather a goodly number were present. The program was as follows:

Welcome by the pastor, Dr. C. M. Crist; patriotic medley, Sunday school orchestra; vocal solos, Margaret Lusby and Mrs. C. M. Scott; quartet, Miss Lusby, Mrs. Leeds, Messrs. Haines and Kuehny; recitation, Prof. W. D. Root.

Rev. C. M. Crist, a former pastor, was present and assisted in the program. He surprised his many Glendale friends by his ability on the "stage." He favored with several recitations. Of especial mention was the "Village Debating Society," "Just to Be Good" by James Whitcomb Riley, and his college reminiscences when he and Rev. Clyde Crist went to college together.

L. C. Leeds was in charge of the program.

## YOUNG PEOPLE OF CHURCH ORGANIZE INTO SOCIETY

BENJAMIN ROBINSON ELECTED PRESIDENT OF C. E. FOR CONGREGATIONALISTS

The Young People's society of the First Congregational church held a dinner and business meeting Saturday night. The committee in charge of the young people, and under whose direction the dinner was given, consists of Mrs. C. M. Calderwood, Mrs. Blake Franklin and O. E. Von Oven. Table decorations were of Cherokee roses.

At the business meeting it was voted that the society become a regularly organized Christian Endeavor society. The new officers elected are as follows:

Benjamin Robinson, president; Gladys White, secretary; Robert Frazee, treasurer. A constitution was adopted and chairmen of committees were elected: Miss Evelyn Gregg, chairman of membership committee; Miss Edith Schuyler, chairman of social committee; Miss Millie Alvord, chairman program committee; Miss Marjorie Yarrick, chairman of service committee.

A very pleasant evening was enjoyed by the thirty-five young people present.

## Oldest Triplets Are These Three Sisters

DANVILLE, Ill.—Mrs. Maria Jane Richardson is one of the three sisters who are believed to be the oldest triplets in the United States. Mrs. Richardson and her sisters, Mrs. Sara Jane Wilson, New Castle, Indiana, and Miss Mary Jane Williams, Lebanon, Ohio, celebrated their seventy-fourth birthday on Washington's birthday last. They were born at Fort Ancient, Ohio, on February 22, 1847.

With the exception of a paralytic stroke Mrs. Wilson suffered several years past, the triplets have been free from serious illness. Mrs. Wilson has practically recovered. The sisters attribute their longevity and good health to their outdoor lives upon their farms.

The triplets have a twin brother and sister, Harry J. Williams, Richmond, Indiana, and Mrs. Alice Josephine Bagford, Spring Valley, Ohio, who will be sixty-seven years of age next November 1.

## Pigs Are Worried By These Big Mosquitoes

PAPEETE, Tahiti—Maiao island, a small dot of land in the Society group, has the reputation of being the worst mosquito island in the South Pacific.

Seldom do schooners visit the island, but when they do call those on board never pass a night ashore. The mosquitoes are said to be so numerous and savage that even pigs, which are supposed to be indifferent to insect pests, cry out in the night with the pain of their sufferings.

Native inhabitants of Maiao appear to be thick-skinned and quite accustomed to the pests. But there are seasons of the year when the mosquitoes surpass even the natives' powers of endurance and they are compelled to keep great smudges of smoke going about their houses.

Joss sticks are made of a stem of bamboo rolled in a preparation containing many different odoriferous drugs, some of which are acetic and camphor. The smoke serves to protect the natives against the attacks of the mosquitoes and the camphor causes them to sleep readily.

## BUSINESS OF KING CHRISTIAN'S CREED 'CHRIST LIFTED UP' CONGREGATIONAL TOPIC SUNDAY

WORLD 'GIVE' AND 'GET' ARE USED TELLINGLY IN TALK BY REV. W. E. EDMONDS

The Sunday morning sermon at the Presbyterian church by Rev. W. E. Edmonds was founded upon words used by David and found in I Samuel 21:2, 8. "The king's business requires haste." Following is a resume:

"Here are three things: the king, his business, the haste. We recognize God as king. He is not on the throne because people put Him there, nor by inheritance. He is there because He himself has made the universe over which He rules. We speak of 'the laws of nature' as if to dodge the personality of God; why don't you say 'the law of God'? All these things we know and see are the work of His hand. His creatorship is absolute; nevertheless we say 'Our Father.' He only is independent; we are dependent upon Him, and upon one another; He only is all-powerful.

"The King's business is busy-ness. We are all of us business men and women. There is no such thing in the true Christian mind as separation between secular and religious. Whatever your business is and wherever carried on, that is the King's business; and to Him you must give an account. Wherever you see on any English product the words 'Made to the King' you know that it is an absolute O. K. The thing that you do—does it have the stamp of the King? It pays to have it. Do you realize that Jesus Christ inspects every piece of your work? You have, then, a right to expect His recognition and blessing. There is a chapter in Chronicles that tells of Solomon's laboring men, potters, gardeners and the like, that they dwelt with the king for his work. It is your privilege to dwell with the King for His work; and you may take every tangle in your work to Him.

"In the King's business there are certain great fundamental principles, Jesus said, 'Do you want to be great? Be little. Do you want to be first? Be last. Do you want to rule? Be a servant.' Impossible principles? With the King all things are possible. 'Give' and 'Get'.

"The climax of all this business of the King is, give. Oh, what a word!—the biggest in all the vocabulary of heaven. 'God so loved the world that He gave.' Mankind is starving for the bread of life; give! The world's great word is 'get'.

"Now look at the word 'haste,' the king's business requires haste." The world's motto is, 'Get rich quick,' and people are rushing to take advantage of bargains. This earth has suffered immeasurable loss for the lack of such speed in the King's business. Multitudes are going down to death because we are too slow. You are responsible for doing what you do quickly. Today there is special urgency in the work of the kingdom. There is unexampled suffering. In Christ's name the nations must be healed. This is one of the hot moments of the world's experience, and the church has it in its power under the direction of the Holy spirit to mould the masses in non-Christian lands. Time will not tarry, and souls are going out every second without knowledge of Christ.

"The King's business requires haste, and we may every one have a part. The richest man in New York, addressing the Y. M. C. A., read out of a worn little old account book his savings in his first youthful business year for church and missions, when he had only pennies and dimes to give, and he declared that that habit formed in his boyhood was the basis of his manhood's giving of millions. Your little children now growing up—you don't know what they are coming to; it is your part to see to the training of the child and plant the habits for life.

"We are ambassadors for the King. We have no right to set up our own program. Let it be known that all you are and all you have is at His disposal."

## Armour Denies That Much Meat Is Stored

CHICAGO—J. Ogden Armour, packer, denied claims of union officials that the packers would welcome a strike because they have enormous stocks of meat on hand now.

"According to the government's report for February," Armour said, "the cold storage stock of meat and lard was 1,000,000,000 pounds less last month than the corresponding month a year ago. The situation has not materially changed in March."

By boring a hole in the earth's surface twelve miles in depth enough energy would be discovered to furnish all the motive power of the world, according to a British scientist.

"We are ambassadors for the King. We have no right to set up our own program. Let it be known that all you are and all you have is at His disposal."

## Civil Service Basis For Postal Employees

WASHINGTON—Civil service will be retained in the awarding of postmasterships, it was learned.

While no decision has been reached as to the disposition of the Wilson executive order which aimed to remove postoffices from the patronage list, it is stated that the new administration does not intend a complete reversion to the old system. Some change is contemplated, however.

"The postal establishment is not an institution for profit or politics," Postmaster General Hays declared.

Trench-digging machines used during the war are now being employed to construct a pipe line from Havre to Paris.

## 'CHRIST LIFTED UP' SUBJECT OF TALK BY REV. FUNK

DELIVERS SERMON FOR FIFTH SUNDAY IN LENT; TELLS OF PATIENT FORBEARANCE

"Christ Lifted Up" was the subject of a sermon at the First Lutheran church yesterday, for the fifth Sunday in Lent. Dr. H. C. Funk, the pastor, said, in part:

"Text, John 12:32: 'And I, if I be lifted up from the earth, will draw all men unto me.'"

"In the Gospel according to Luke we have an account of the Saviour taking the disciples unto Himself. He makes known that He would be delivered into the hands of His enemies; that He would be mocked, scourged and put to death. But, notwithstanding this revelation of His approaching death, and of His resurrection, they did not understand the meaning of His words. And although Jesus knew that the end was near; knew that He would have to suffer, that He would be betrayed and die the death of the cross, He faltered not.

"What an example of patient forbearance! We have seen him the subject of cruel treatment, deserted by the ones He loved, suffering the agony of the garden, left to bear the cross alone, and yet no murmur of complaint falls from His lips.

"The text is fully explained in the following verse, 'This He said, signifying by what death He should die.' A company of Greeks had come to Philip expressing a desire to see Jesus. The Saviour replied that the time had come when the Son of man should be glorified. It was also revealed that He would be glorified through suffering, and in the salvation of men. In this hour of trial let us hear the words of the Master: 'Now is my soul troubled; and what shall I say? Father, save me from this hour; but for this cause came I unto this hour. Father, glorify thy name. Then came there a voice from heaven, saying, I have glorified it, and will glorify it again. The people therefore, that stood by, and heard it, said that it thundered: others said, An angel spake unto Him.

"Jesus answered and said, This voice came not because of me, but for your sakes. Now is the judgment of this world: now shall the prince of this world be cast out. And I, if I be lifted up, will draw all men unto me."

"But, some one may say, Christ has been lifted up and yet millions of souls have never heard of Him. That may be true; but wherever the cross has been lifted up men have been drawn to Him, and the progressive work of redemption will finally be completed. More souls were won for Christ during the past century than during any other similar period of time. The most important question is, Are you drawn to the cross of Christ? Do you receive Him as your Saviour, your substitute and your sacrifice? Do we serve Him? Do we do as He did? Are we Christ-like, or are we Christless?"

"Many of the historic creeds arose in the age of speculation and not in the age of vital religion. They are the results of controversy and not of Christian experience. Our creed, like the creed of science, should be our program. Scientists do not recite their creeds, they use them in what they do. Our creeds should be our orders for our deeds. A Christian's creed today should be an ethical program. If we can't make our creed our program it will do us little good to recite it."

"Our lives are not made richer by believing as little as we can, but by believing as much as we reasonably can."

"The climax of all this business of the King is, give. Oh, what a word!—the biggest in all the vocabulary of heaven. 'God so loved the world that He gave.' Mankind is starving for the bread of life; give! The world's great word is 'get'.

"Now look at the word 'haste,' the king's business requires haste." The world's motto is, 'Get rich quick,' and people are rushing to take advantage of bargains. ## RIGHT FOUNDATIONS ARE CHOSEN FOR CITY BUILDING

W. F. TOWER GIVES EXCELLENT REASONS WHY GLENDALE PROVES PROSPEROUS

W. F. Tower, 328 North Maryland, submitted the following excellent reasons why Glendale is prosperous: Successful city building, like all other buildings that are to endure, must be built on a substantial foundation. Glendale's prosperity is founded like the house the wise man built on a rock and is bound to endure.

First. Its scenery. Whether one enters Glendale from Hollywood, Los Angeles or Pasadena, the newcomer is entranced by Glendale's wonderful setting. The beautiful hills and mountains also protect from fogs and windstorms.

Second. Its excellent all year round climate, until it is a debatable question which is the most enjoyable season, winter or summer. During the periods of extreme weather back east—the sweltering dog days of summer and the zero, high-priced days of winter—the Glendale people in comfort are pursuing the even tenor of their ways. They live longer and also enjoy a higher order of pleasure and living.

Third. Living costs are reduced. Fuel at a minimum. Fresh vegetables the year round at a reasonable price. Gasoline, rents compare favorably with any part of the country.

Fourth. All social, educational, religious activities offer exceptional advantages and attractions.

Fifth. Glendale owns and operates successfully its water and electric light plants; furnishes excellent service and makes a profit for the taxpayer. Partisan politics are tabooed in Glendale public affairs. This appeals to level-headed taxpayers.

These are the cornerstones of Glendale's prosperity; have attracted a fine class of people from all over the country and will continue to. As population increases, more houses are needed, more schools, more stores, larger churches, more capital, more workmen.

Glendale is a favored vale Where sunny skies and fruits and flowers, Majestic hills and leafy bowers Make life worth while. Active and attractive—that's Glendale.

Spiders' webs may be preserved if they are sprayed from an atomizer with artists' shellac and then pressed carefully against a glass plate at the same time severing the supporting strands. Many spider webs are beautiful, having interesting characteristics of the species to which they belong.

"If He tells you what to write," he demanded, "why do you go back and scratch out a lot of it?"

An edict against the wearing of short skirts and the displaying of arms has been issued by the city magistrate of Shanghai. In future offenders will be arrested and fined.

## FIRST IN SERIES OF SIX SERMONS BY REV. E. E. FORD

MANY PEOPLE IN HURRY AND DO NOT KNOW WHERE THEY ARE GOING

At the First Baptist church yesterday morning Rev. E. E. Ford, pastor, preached the first of a series of six sermons from the text found in John 14:6, the particular theme of this one being "The Way." "No man cometh unto the Father but by me," He said in part:

"Jesus Christ is that way. We say we did it yesterday or we will tomorrow, but Jesus said 'I am.' Through this new and living way spoken of in the tenth chapter of Hebrews we can enter into the holiest.

"There is so much that is good in the world that I do not want to look for the bad. There is just as big a proportion of men and women who are giving their lives today as at any time, just as many folks who are glad to be of service to humanity. When one part of the world is hungry and America's arm goes out to feed, when there is suffering anywhere and we are willing and ready to relieve that suffering, we are following where He leads.

"On that last night of which we studied in the Sunday school they asked Him who was the greatest. By His Own act He showed that the one who is greatest is he who serves most.

"Jesus is the way, not the way shower. He never said 'I am.' He showed them the way, but always 'I am the way.'"

**People Deny Him Today**

"It seems incredible that one who had been with Him so intimately should betray Him. No wonder the eleven asked each other, 'Is it I?' But do not folks deny Him today? There are those who sell their Lord for thirty pieces of silver by their lives. The safest place in all the storms that are raging about us is in the boat where Jesus Christ is pilot.

"In this restless, hurrying world there are so many who do not know where they are going and so many who, like the negro mammy, have been where they are going. If you have lost your ideals then you need to come back to Christ. Stand one side a little while and let the rest of the world go by while you find Him.

"Which way shall I take to find the place for which I was born? God knows about every life and has a program for every one. We come from different homes, living under different conditions, but this same Way is for all.

"We sing 'Following thee I know I am right'—it isn't the clothes we wear nor the furniture we own, but the soul that is immortal. There isn't money enough in the world to buy the big thing. The cry of your soul is for God, the one thing in the world that is vital."

## Lord's Prayer Placed Upon Head Of Pin

NEWBERN, N. C.—J. O. Lowder has on display at his shooting gallery in this city an ordinary steel pin on the head of which is engraved the Lord's Prayer. The engraving is the work of C. H. Baker of Spokane, Wash., and the job required three years to complete, according to Mr. Lowder. There are 65 words, 254 letters and 19 punctuation on the pin head, and each is so perfectly formed that beneath a magnifying glass they stand out clearly and can be read with ease.

**AIN'T THAT RIGHT, WIFE?**

"They say that three hundred words suffice for a vocabulary." "You don't really need that many. A man can do his courting in gurgles."

"And after marriage?" "He converses in grunts."

# GREAT FUTURE FOR SOUTH GLENDAL E IS PREDICTED PATRONIZING HOME INDUSTRY HELPS CITY TO GROW

MUCH BUILDING IS PLANNED AND BUSINESS SECTION IS ALIVE TO OPPORTUNITY

The South Glendale or Tropico section of Glendale is pushing ahead in a thoroughly progressive and enterprising manner.

Many new buildings are contemplated, and some are now under construction. It is said that a business block is to be erected on San Fernando road, between Brand boulevard and Central avenue.

There is without doubt a bright future and great possibilities ahead for this business section. It is ideally located for a rapid growth. A more desirable location would be difficult to find, with one boulevard passing through the business district, intersected at one end with another boulevard, Los Feliz road, and at the other with the new Glendale boulevard. These are three main arteries from Los Angeles, all heavy with traffic, and it is predicted that great prosperity and rapid growth is in store for this district.

Real estate brokers realize the opportunities, and another Glendale broker is about to establish a branch office on San Fernando road.

Alive to Opportunities  
The business houses of this section are thoroughly alive to the advantages of advertising, as evidenced by the number of cards appearing on the opposite page.

The Bentley-Schoeneman company has recently built a fine office building on Los Feliz road, and has transferred its office from East Broadway. With its office and yards adjoining the company is securing greater concentration and even greater efficiency than heretofore.

The Tropico Potteries, Inc., has purchased the entire plant of the Pacific Minerals and Chemical company, with main office and works at Los Feliz road and Southern Pacific tracks. The company, with F. B. Ortman as manager and vice-president, pledges to maintain the highest standard of equality in all its products and to render a complete and dependable service.

Business People Well Known  
Mrs. Virden ably conducts the drug store at the corner of Los Feliz and San Fernando roads, having been at this location for seven years, and doing a highly successful business, due largely to her willingness to accommodate.

W. E. Heald, who is well known to nearly all Glendale Elks, is located in the Virden drug store, and is a watchmaker of experience, having been in this business before coming to Glendale.

A. E. Bradshaw, proprietor of the grocery and meat market at 1405 San Fernando road, has been at this location for six years. He is constantly adding to his list of satisfied customers. Mr. Bradshaw states that his success is due to his motto of "The best quality at reasonable prices."

The Glendale Auto Paint and Top Shop at 321 West Los Feliz road is doing a growing business, due to satisfactory service and fair prices. When it comes to refinishing automobiles, the proprietor is an artist. When he is through with a car it "looks like new."

### Real Service Is Given

C. L. Brinkman, at 1510 San Fernando road, has a fresh stock of electrical supplies and Westinghouse appliances. He is agent for the Apex vacuum cleaner and the Rotapex washing machine. Mr. Brinkman states that his policy is fair treatment and courteous attention to all.

The Glendale Grill at 1415 San Fernando road is newly equipped and offers a special Sunday chicken dinner which many will appreciate. The proprietor says everything is of the best quality.

The Tropico Transfer company, conducted by Robert V. and Allen A. Hardy, is rendering a very satisfactory service between Glendale and Los Angeles.

Charles B. Guthrie, real estate broker, with an office at 1328 South Brand boulevard, of which Mr. Von Owen is manager, has great faith in the future of the Tropico district, which is sure to "come back" and fulfill the expectations of the most optimistic.

Laura's Cafe at 1519 San Fernando road serves a merchants' lunch twice a day, which is proving very popular. Ice cream for the Sunday diner or evening parties may be ordered by telephone.

Items of interest, such as births, deaths, marriages and social events, may be mailed, telephoned or left at The Evening News office, 139 South Brand boulevard.

L. A. BANKER CALLED BY DEATH  
LOS ANGELES, March 14.—James C. Drake, chairman of the board of directors of the Los Angeles Trust and Savings bank, director of some of the largest corporations in the west and a resident of Los Angeles, died at his home here today. He had been ill several weeks. Funeral services will be held tomorrow morning. Drake was born in Hannibal, Mo., and came to Los Angeles, Ark.

GOLDEN OPPORTUNITIES HERE FOR HOME SEEKER, WRITES MRS. FRANK MERRIKEN

Patronizing home industry has made Glendale possible is the belief of Mrs. Frank Merriken, who wrote a letter for the "Prosperity Week" contest. It follows:

Glendale is, indeed, a rare "Jewel" in its natural setting of fertile valleys, surrounded by beautiful hills. With such golden opportunities for the homeseeker. An ideal spot where rest, peace and contentment may be found. Business is increasing so rapidly by "Home Patronage" that more ground is being broken to erect stores of all kinds to supply the great demands of the ever-increasing populace. A steady stream of homeseekers to enjoy the possibilities and to link their lives with those who have helped make "Glendale" what it is.

The comfortable and pretty churches are numerous and one can worship whichever way their heart dictates. New schools are necessary, and additions to others for the ever-increasing stream that knocks loudly at its doors for admittance. The banks are prosperous and on a sound basis, therefore a great credit to the community. Patronize the home newspapers, they are valuable to you from a business standpoint, also instructive and entertaining. Last, but not least, Glendale has just cause to be proud of her two theatres which so attract and beautifies the community at large. "Home Patronage" has made Glendale possible. May good-will and prosperity ever remain within her gates.

## Notice of Sale of Street Railway Franchise

OFFICE OF THE CITY CLERK OF THE CITY OF GLENDAL E , CALIFORNIA

TO WHOM IT MAY CONCERN:

NOTICE IS HEREBY GIVEN, that an application has been made to the Board of Trustees of the City of Glendale for a certain franchise, granting the right to construct, and operate, a street railway, or other motive power except steam, over, along and across those portions of the railway line as now constructed and operated by the Glendale & Montrose Railway Company, a corporation, over and across the public streets in the City of Glendale, said line being generally described as follows, to-wit:

It is hereby proposed by said Board of Trustees of said City of Glendale to offer for sale, and to grant to the highest bidder, the said franchise upon the terms and conditions herein contained. The said franchise is described as follows, to-wit: a franchise to construct, and for a period to terminate November 4th, 1923, to operate and maintain a street railway using electricity or other motive power except steam, over, along and across those portions of the railway line as now constructed and operated by the Glendale & Montrose Railway Company, a corporation, over and across the public streets in the City of Glendale, said line being generally described as follows, to-wit:

Commencing at the intersection of Brand Boulevard and Broadway, thence Easterly along Broadway to the intersection of Broadway and Glendale Avenue; thence Northerly along and across Glendale Avenue, Verdugo Road and Canada Boulevard; thence to, along and across Verdugo Canyon Road and Ocean View Boulevard to the Northerly city limits; and also commencing at the intersection of Glendale Avenue and Wilson Avenue, thence Easterly along Wilson Avenue, Eagle Rock Road and Broadway, to the Easterly city limits together with the right to construct curves, switches and spur tracks into private property; also connections at street intersections, and all other appliances, property, structures and attachments that may be necessary or proper, for the purpose of operating said road and enabling it to be as effective as the best railway operated by electricity or other motive power except steam; provided, however, that no spur track into private property shall be built within One Thousand (1000) feet of any spur track already constructed under said franchise, without first securing the proper consent of the Board of Trustees of the City of Glendale. That the terms and conditions upon which said franchise will be offered for sale, are the following:

That the railway to be constructed and operated under said franchise shall be used for the transportation of passengers, baggage, United States mail, express matter, and such other commodities as can be conveniently handled by an electric railway, provided that cars other than closed ones, of a neat and attractive design, shall only be conveyed over said road between the hours of nine o'clock P. M. of each day and six o'clock A. M. of the following day; except hauling such material as is used in the construction and reconstruction of such railways.

That said the grantee of said franchise and its assigns, shall use good material in the construction of said road, and said road shall be built in a good and workmanlike manner, and that said grantee and its assigns, shall, at its or their own cost and expense, oil and re-oil, pave or macadamize the said road between the rails, between the tracks and for two (2) feet on each side thereof, with the same material used by the City and under the same specifications as upon the streets over which said roads are respectively, and shall keep the same constantly so paved or macadamized and in repair flush with said streets, and provided with suitable crossings, and shall make the roadbed conform at all times to the established grade of said streets; provided, however, that where any of the above named streets have been graded or otherwise improved prior to the granting of said franchise, said roadbed and rails shall conform to and be flush with the surface of said graded or otherwise improved street or streets, whether such surface be above or below the official grade of said street or streets, and on all other street or streets, the said roadbed and rails shall conform to such official grade as aforesaid.

In case the said grantee and its assigns, shall fail to comply with the instructions given for said repairs for ten days after service of notice thereof upon the superintendent or manager of said grantee, then the Board of Trustees of the City of Glendale, may, with suitable assistance, enter upon said railway, or any portion thereof, and do the work, and furnish the proper material, and keep an itemized account of the cost thereof, which said grantee and its assigns, by the acceptance of this franchise, agrees to pay immediately to the Treasurer of the City of Glendale upon the presentation of the account to the superintendent or manager of said railway.

Provided further, that cars shall be run over the road constructed under said franchise every day, unless prevented by the elements, riots, strikes or unavoidable causes; provided also, that cars shall be run over and upon said road at intervals of not more than one (1) hour from seven o'clock A. M. until ten (10) o'clock P. M. of each day, and as much oftener as may be necessary; to properly accommodate all persons who apply for transportation over said road, except in times of extraordinary and unforeseen amounts of travel, and provided that the Board of Trustees may authorize a less number of trips if the amount of travel does not warrant the above number of trips, and provided further, that said grantee, and its assigns, shall have the right to excavate and remove portions of said streets necessary to properly construct said road, and to erect needful apparatus, boilers, engines and other appliances to properly equip and run said road; provided further, that the City of Glendale in granting said franchise, expressly reserves the right to pave, macadamize, renew or sever any of said streets, or to lay gas, water or other pipes therein, said work to be done so as to injure said road as little as possible.

It is further provided that said grantee and its assigns, shall construct all necessary flumes and culverts for the free passage of water under the tracks of said Railway whenever and wherever necessary, and that all of such flumes and culverts shall be constructed in accordance with the plans and specifications approved by the City Engineer and wherever required by said City of Glendale.

That the said grantee and its assigns, shall and will, at all times upon and after the completion of said road, during the operation of the same, and without extra charge, issue and receive from passengers going in one direction, transfers good for one continuous passage over and upon any and every other line and lines or any other road or roads to the points within the said City, which said grantee and its assigns, does now or may hereafter own, control, operate or have a controlling interest in; and provided, as a further condition, that said grantee, and its assigns, shall and will at all times as aforesaid, issue or cause to be issued to said passengers without extra charge, a similar transfer from any and every line or lines which said grantee and its assigns, does now or may hereafter own, control, operate or have a controlling interest in, within said City of Glendale, as aforesaid, to, over and upon the road operated and maintained under said franchise within the city limits of the City of Glendale; and provided further, that such transfers shall be given and received as above provided over and upon all such roads within the city limits of the City of Glendale, whether operated under a franchise granted by said City, or over and upon private right of ways owned or occupied by said roads within the city limits of the City of Glendale.

That the rates of fare to be charged by the grantee shall not exceed the rates fixed by the Body, Board or Commission having authority to fix such rates.

The said grantee and its assigns, shall carry free on said cars, the City Marshal or Chief of Police and deputies, and all regular police officers and firemen of said city, when on duty, and letter carriers, subject at all times to the rules of the road. That the said grantee and its assigns, shall, during the life of the said franchise, pay to the City of Glendale, in lawful money of the United States, two per cent of the gross annual receipts of said grantee and its assigns, arising from the use, operation, or possession of said franchise. No percentage shall be paid for the first five years succeeding the date of the franchise, but thereafter such percentage shall be payable annually, and said franchise is to be forfeited by a failure to make the payments provided for, and it shall be the duty of the grantee of said franchise, and its assigns, to file with the City Clerk of the City of Glendale at the expiration of said franchise, a statement verified by the oath of the grantee, or its assigns, or by the oath of the manager or presiding officer of said grantee, or its assigns, showing the total gross receipts and gross earnings collected or received by the said grantee, or its assigns, during the preceding twelve months, and within ten days after the time for filing such statement, it shall be the duty of said grantee, or its assigns, to pay to the City Treasurer of said City of Glendale, the aggregate sum of said percentage upon the gross annual receipts arising

from the use, operation or possession of said franchise.

That all poles used in the construction and operation of said electric road, shall be placed within the curb line of the streets herein designated as officially established by the Board of Trustees of the City of Glendale, and the outer edge of the poles shall in all cases be set as near the inner edge of the curb as practicable, when not otherwise directed by said Board of Trustees, and the wires suspended from said poles, shall not at any point be less than twenty-two (22) feet above the top of the rail. All poles shall be of tubular steel or of suitable wood, of a size and kind such as are ordinarily used for similar purposes in the State of California, and shall at all times be kept free from rust and painted in a uniform color; that wherever said railway is double tracked, then the tracks shall be placed thirteen (13) feet from the center line to center line, and in case of a single track shall be located as directed by the Board of City Trustees of the City of Glendale.

That any neglect, failure or refusal to comply with any of the conditions of said franchise, after thirty days' notice given by the Board of Trustees of the City of Glendale, shall thereupon immediately, ipso facto, effect a forfeiture thereof, and the said City, by its Board of Trustees, may thereupon declare said franchise forfeited, and may exclude said grantee, or its assigns, from further use of the streets of said City under said franchise, and said grantee or its assigns, shall thereupon and immediately, surrender all rights in and to the same, and the said franchise shall be deemed and shall remain null, void and of no effect.

NOTICE IS ALSO HEREBY GIVEN, that sealed bids in writing will be received for said franchise by the City Clerk of said City of Glendale up to eight o'clock P. M. of the 14th day of April, 1921. At the day and hour last mentioned, the City Clerk will, in open session, examine and publicly declare the same, and each bid shall be accompanied by a cash deposit of the amount of the bid, or a certified check for said amount, payable to the City Treasurer of the City of Glendale, certified to by some responsible Bank as a guarantee of good faith by the bidder; provided, however, that if in the judgment of the Board of Trustees, no adequate or responsible bid has been made, the Board of Trustees may withdraw said franchise from sale, or advertise for new bids. That at the time for opening said bids, any responsible person, firm or corporation, present or represented, may bid for such franchise a sum not less than ten per cent above the highest sealed bid tendered, and that said bid so made may be raised not less than ten per cent by any other responsible bidder, and such bidding may thereafter continue until finally said franchise shall be struck off, sold and awarded by said Board of Trustees to the highest bidder thereof, who must before such award is made deposit with the City of Glendale, at least ten per cent of the amount of his bid. Upon the franchise being awarded, all deposits made by unsuccessful bidders shall be returned.

NOTICE IS ALSO HEREBY GIVEN, that the grantee of such franchise must, within five (5) days after the awarding of such franchise, file with the City Clerk of said City, a bond running to the said City in the penal sum of One Thousand (\$1000.00) Dollars, with at least two good and sufficient sureties, or a bond in said amount furnished by a responsible surety company, to be approved by the Board of Trustees, conditioned that such bidder shall well and truly observe, fulfill and perform each and every term and condition of said franchise, and that in case of any breach of the conditions of such bond, the whole amount of the penal sum therein named, shall be taken and deemed to be liquidated damages, and shall be recoverable from the principal and sureties upon such bond. If such bond is not so filed, the award of said franchise shall be set aside, and in the discretion of said Board of Trustees, the said franchise may be re-advertised, and again offered for sale in the same manner and under the same restrictions as hereinabove provided, and the amount deposited by such bidder with his bid, shall be forfeited to the City as liquidated damages. The Board of Trustees hereby expressly reserves the right to reject any and all, or any or all bids for said franchise.

J. C. SHERER, City Clerk.

Old Mother Nature inaugurated Clean-Up week in fine style. She gave everything a thorough washing, removing the dust from the trees, the flowers and the buildings, cleansing the hills and mountains with her touch and even removing all impurities from the atmosphere. It is up to us to continue what Nature has begun.

Let us join her in her good work. Let us clean up our lawns and gardens, dispose of rubbish piles, plant growing things that will later beautify our gardens and grounds, brighten up our homes inside and out with paint, make repairs that are needed and further add to our reputation as a City of Homes by making our surroundings as cheerful, clean and pleasant as possible.

#### THE TOWN TRANSFORMED

A town where every citizen but one painted his house, made repairs of the premises, fixed up his lawn, and arranged flower and vegetable gardens was described today by C. P. Chase, who visited it last week. The town is Greenfield, Iowa, and the visible results of the Clean-Up and Paint-Up campaign there are remarkable, says Mr. Chase.

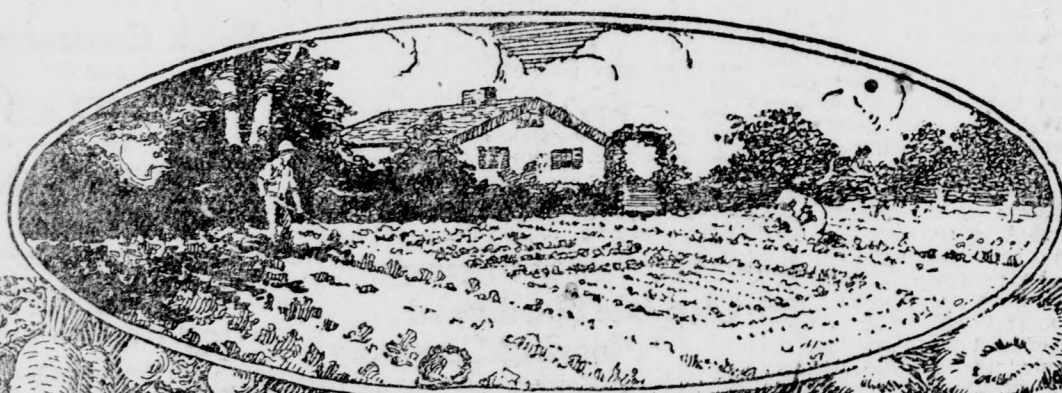

Greenfield has 3000 inhabitants and this propaganda for a more beautiful city was started by a local newspaper, taken up by the Commercial club and backed by the city officials. Every house in the city with a single exception was repainted. All porches, windows, fences, sidewalks and other things in disrepair were attended to. The refuse, ashes and other waste were cleaned up. Attention was then turned to lawns and gardens and the result, says Mr. Chase, is one of the neatest and most attractive towns he has ever seen.—Clinton (Iowa) Advertiser.

#### DON'T NEGLECT PAINTING UP

Paint up goes hand in hand with Clean Up. When you have dusted and swept and mopped the corners and the open spaces, put the paint brush to work. It will be easy to keep things clean then. A painted surface does not accumulate dirt like an unpainted one does. Besides, dirt is more obvious on a painted surface, and less apt to be ignored. Paintliness is the best incentive to cleanliness—which, you know is "next to godliness."

Make the paint brush the partner of the scrubbing brush. They make a whole team. Enlist BOTH of them for Clean Up and Paint Up.

It doesn't take much argument to convince a man that his house and his barn will be worth more money if the buildings are kept in the best order.
